*Chinese gold, North-Korean silver and Malaysian bronze medal in the final of Women's 10m Synchronised platform.*

REN Qian / SI Yajie (CHN): "We were very excited at the beginning, this was our first competition together, so we are very happy with the result. We are relieved, and we can have a rest now. The final was not easy, we made some mistakes, so we have to work hard, because we want to win a lot more medals for China in the future."

KIM Mi Rae / KIM Kuk Hyang (PRK): "We are quite happy to win the silver medal. We train solely in our home country, therefore we are grateful for our trainers and the entire crew which helped us to achieve this result. We are confident, we strive to further improve in the future."

PAMG Pandelega / CHEONG Jun Hoong (MAS): "We are very happy and grateful. This bronze medal is the result of a lot of sacrifice and hard work, therefore we feel blessed and we are really proud. We did our best in the final, and we are satisfied with the result. After all these years, we feel honoured to be ranked among the top athletes in our country. We will never give up and we seek for further improvement."
