2016.05.20. 14:50 CET

She swam close to her personal best, but thought for a completely different thing after the finish of the 800m. The new European Champion of the swim-club, UTE.

„ I can finally tell you, I came to London to win. I was so sure, I can achieve that goal, like four years ago in Debrecen, where I could stand at the highest place on the podium. The last four years behind me were very hard, with lots of ups- and downs, changing my club was a painful decision as well, but I survived! - told Bogi.

Ferenc Kovácshegyi, Balázs Virth and Sándor Széles are responsible for her coaching in the UTE sport-club , and she recognized, she needed to change club and coach earlier.

„ It is true, but I do not want to take up this question today on this beautiful evening, here in London. My time is going to be better, I hope in the final, in Rio! I am in good hands, and happy to train with Dani Gyurta! We inspire each other, because we know, we have a very important, and huge exam ahead!”

She ensured the Hungarian press in London, she have more speed and strength for the 1500m, which is going to be another challenge for her. We hope, her performance yesterday evening will give her more motivation, and it is going to be an inspiration for the race.
